Why join?

On the EU Construction Platform, you can do the following.

Access key information: stay up to date with the latest EU policies, legislation, stakeholder pledges and business stories relevant to the construction transition. Explore funding opportunities and calls and consult the calendar of major events and activities in the construction sector.

Contribute and connect: as a registered member, you can share your own publications, pledges and actions, and engage with other actors from the construction ecosystem. The platform allows stakeholders to showcase their initiatives and learn from each other's experiences.

Engage with a diverse ecosystem: the platform serves businesses (including small and medium-sized enterprises), industry associations, research bodies and institutions at EU, national and regional levels, as well as other interested stakeholders. It is fully available in all 24 official EU languages to ensure broad accessibility and inclusiveness.

Key benefits for stakeholders

- ✓ **Access up-to-date information** on EU policies, legislation, funding opportunities and upcoming events in the construction sector.
- ✓ **Publish** your own content and share your activities.
- ✓ **Engage in a multilingual environment** – the platform is available in all 24 official EU languages.
- ✓ **Participate in a diverse ecosystem** of businesses, institutions and organisations, all working towards a sustainable and innovative construction transition.

How can I register to Construction ecosystem?

Registering is a simple process that will grant you access to a wealth of resources, communities, and collaboration opportunities. In this guide, we will walk you through the registration process step-by-step to ensure a smooth and hassle-free experience.

1.

Step 1: Access the registration page

To access the registration page, click on either the 'Login' or 'Join Ecosystem' button located in the top right corner of the page.

Note: As a new joiner, we highly recommend clicking on 'Join ecosystem', as this will allow you to complete your registration in a single step, and use 'Login' when you already have an active registration.

2.

Step 2: Enter your EU Login credentials or create an EU Login account if you do not already have one

EU Login allows authorised users to access a wide range of Commission web services, such as the Stakeholder Support Platform by using a single email address and password.

Note: We highly encourage all our members to use professional email addresses for registration on the platform for credibility purposes.

How can I register to an ecosystem? (cont'd)

3. Step 3: Click on 'Join ecosystem' button

Note: This step is only necessary if you selected 'Login' for your first access to the platform instead of 'Join ecosystem' in Step 1.

After logging in successfully, please click on the 'Join Ecosystem' button located in the top header of the platform to access the Construction ecosystem.

4. Step 4: Fill out your profile in 'My account settings'

After joining, completing your profile with your characteristics and interests will allow you to fully utilize the Stakeholder Support Platform, ensuring you access only the information that is relevant to you. All fields with a red star (*) are mandatory. You will also be asked to agree to the Terms & Conditions and the Privacy Statement.

If you complete your registration, you will also be notified (via a notification in the platform or email) that you can access the platform's full functionality.

Note: Separate registration is needed for every ecosystem. However, after logging in to the platform with your EU Login account, you can access all ecosystem profiles where you already have an active registration.

Exploring content on the platform

Navigation panel

It shows all available content sections.

Searching for content on the EU Construction Platform

❖ You can search for information based on what you are interested in.

The platform will show results that match your chosen topics or interests.

❖ You can sort the search results by:

- relevance (how closely they match your search);
- date (newest first);
- the last time they were updated;
- the number of views.

- ❖ If you have added any filters, you can see or remove them easily ('Clear all filters').
- ❖ On the left side of the screen, you will find options to filter your search, such as by:
 - keyword;
 - publication date (of the post);
 - content type;
 - geographical descriptor;
 - organisation type;
 - focus areas;
 - related organisation.

The screenshot displays the 'EU Construction Platform' interface. At the top, there is a navigation bar with links: Home, What's new, Policy Framework, Stakeholder's actions, Funding opportunities, Knowledge and learning, Interactive map, Workspaces, and Calendar. A 'Propose content >' button is located in the top right corner.

Below the navigation bar, the 'Housing' section is active. On the left, a 'Filter by' sidebar is highlighted with a red dashed border. It includes the following filters:

- Keyword:** A text input field with the placeholder 'Free text'.
- Authored on:**
 - From:** A date picker showing 'YYYY-MM-DD'.
 - To:** A date picker showing 'YYYY-MM-DD'.
- Content Type:** A dropdown menu with 'Select' as the current option.
- Geographical descriptors:** A dropdown menu with 'Poland' as the current option.
- Organisation Types:** A dropdown menu with 'Business Support Orga...' as the current option.
- Focus Areas:** A dropdown menu with 'Select' as the current option.
- Language:** A dropdown menu with 'Select' as the current option.
- Publishing organisation:** A dropdown menu with 'Select' as the current option.

A 'Search' button is located at the bottom of the filter sidebar.

On the right side of the 'Housing' section, there are controls for 'Items per page' (set to 10) and 'Sort by' (set to 'Newest first'). A 'Clear all filters' button is also present.

Below these controls, a banner indicates '2 active filters'. The main content area displays three search results:

Contributing your own content

Share your actions!

Stakeholders are encouraged to submit content proposals for the **‘Stakeholder’s actions’** section of the platform.

This covers:

- ✓ Pledges and commitments
- ✓ Business stories
- ✓ Projects
- ✓ Collaborative networks, alliances and platforms

Showcasing these actions helps the wider construction community learn from real examples of the sector’s green and digital transition.

*Ways to propose content

- ✓ Press the 'Propose content' button (top right or left sidebar).

- ✓ Open the 'My profile' menu.

Managing your contributions

- ❖ Go to 'My profile' > 'My contributions' tab.
- ❖ View drafts, pending review and published content.
- ❖ Edit, delete or submit content.
- ❖ Deletion is irreversible.

Submitting pledges

What is a pledge?

In the construction ecosystem, a pledge on the Transition Pathway Platform is a voluntary public commitment by stakeholders to support the sector's sustainability transition. Each pledge contributes to the shared goals of the construction transition pathway and is aligned with the ecosystem's strategic areas for transformation.

Pledges may aim to:

- ❖ achieve a climate-neutral and resilient environment by 2050;
- ❖ improve energy efficiency and accelerate the uptake of renewable solutions in buildings and construction processes;
- ❖ advance circularity through resource efficiency, waste prevention, reuse and recycling of construction materials;
- ❖ support innovation and digitalisation to drive sustainable design, planning and building practices;
- ❖ promote skills development, employment, and safe and inclusive working conditions across the sector;
- ❖ enhance sustainable value creation through collaboration along the construction value chain;
- ❖ encourage sustainable sourcing and responsible procurement practices.

*Submission/Update process (similar to content proposal)

‘Propose content’ button > select ‘Pledges’ > ‘Accept waiver’ > ‘Create’.

Fields to fill:

- ❖ title (mandatory);
- ❖ commitment progress field (useful for updates, mark as completed or nominated for best practice);
- ❖ committing organisation and contact person’s email;
- ❖ reporting frequency (annual, monthly, quarterly or semi-annual);
- ❖ specific progression date or target date;
- ❖ link to external website.

Submission/Update process (similar to content proposal)

Fields to fill:

- ❖ image;
- ❖ summary;
- ❖ detailed description using various formats;
- ❖ attach documents or link to published content;
- ❖ add mandatory descriptors (at least one per descriptor).

Publisher: only an organisation can be a publisher.

- ❖ Add a note for the editorial team.
- ❖ Save as draft or submit for review.

Editing/Updating pledges

Access via 'My contributions' > 'My profile' > 'Edit'.

- ❖ Review publication status.
- ❖ Revise all fields and update progress.

Workspaces

What are workspaces used for? How can I join?

Workspaces provide an effective way to collaborate with other members and users on the platform.

As a member of a workspace you are able to

- ✓ create many kinds of content,
- ✓ discussion topics,
- ✓ see the list of community users in the workspace and
- ✓ collaborate with them in the shared documents.

Do not miss the chance to create something great as part of a workspace, so join one of them as follows:

1. Step 1: Navigate to the 'Workspaces' section in the menu

2. Step 2: Find your interested workspace in the list

3. Step 3: Click on 'Join workspace' button

By clicking on the 'Join workspace' button, your request will be sent to the workspace manager, who will decide whether to accept or reject it. You will receive an email notification regarding their decision via the platform, provided that you have enabled this type of notification in your user account settings ('Profile' / 'My account settings').

4. Step 4: Access the workspace

The screenshot shows the platform's navigation menu at the top with 'Workspaces' highlighted by a red box and labeled 'Step 1'. Below the menu, the 'Workspaces' section is displayed. It includes a disclaimer, filter options (Geographical descriptors, Focus Areas, Keyword), and a list of workspaces. One workspace, 'Task Force on Offsite Construction', is highlighted by a red box and labeled 'Step 2'. Within this workspace card, the 'Join workspace' button is highlighted by a red box and labeled 'Step 3'.
